3. Mr. [REDACTED] was briefed on the significant events which have occurred in the Soviet aircraft industry since his last visit of September 1958. Discussions were directed mostly towards intelligence about Badger, Bison and Boulder aircraft. We were briefed on the use of extruded skin in the B-52G and the resultant weight saving and also of the plans to install the P&W turbo-fan engine in future B-52G aircraft, and perhaps retrofit other B-52's.

4. Attached is a letter for the Assistant Director's signature which is to be forwarded to [REDACTED] for possible transmittal to Mr. [REDACTED]. This letter confirms that Mr. [REDACTED] was in Washington, D. C. in the interest of this agency during the period 19-21 January 1959.
